The background of the cover is a vibrant underwater scene. Two clownfish, with their characteristic orange bodies and white stripes, are swimming within the tentacles of a large, green sea anemone. The anemone's tentacles are numerous and have a bulbous, rounded appearance. The water in the background is a deep, dark blue, providing a stark contrast to the bright colors of the fish and the anemone.

People always talk to each other in their families. It's not surprising that animals have different conversations on a great variety of topics in their families as well.

– We have got  
no money,  
but he is  
relaxing...  
Go off  
to work!

– Oh, Honey!  
I swear  
wasn't  
my fault.  
It was just  
some fateful  
confluence  
of circum-  
stances...

*– I'll peck him, if he does not  
appreciate my new image again...*

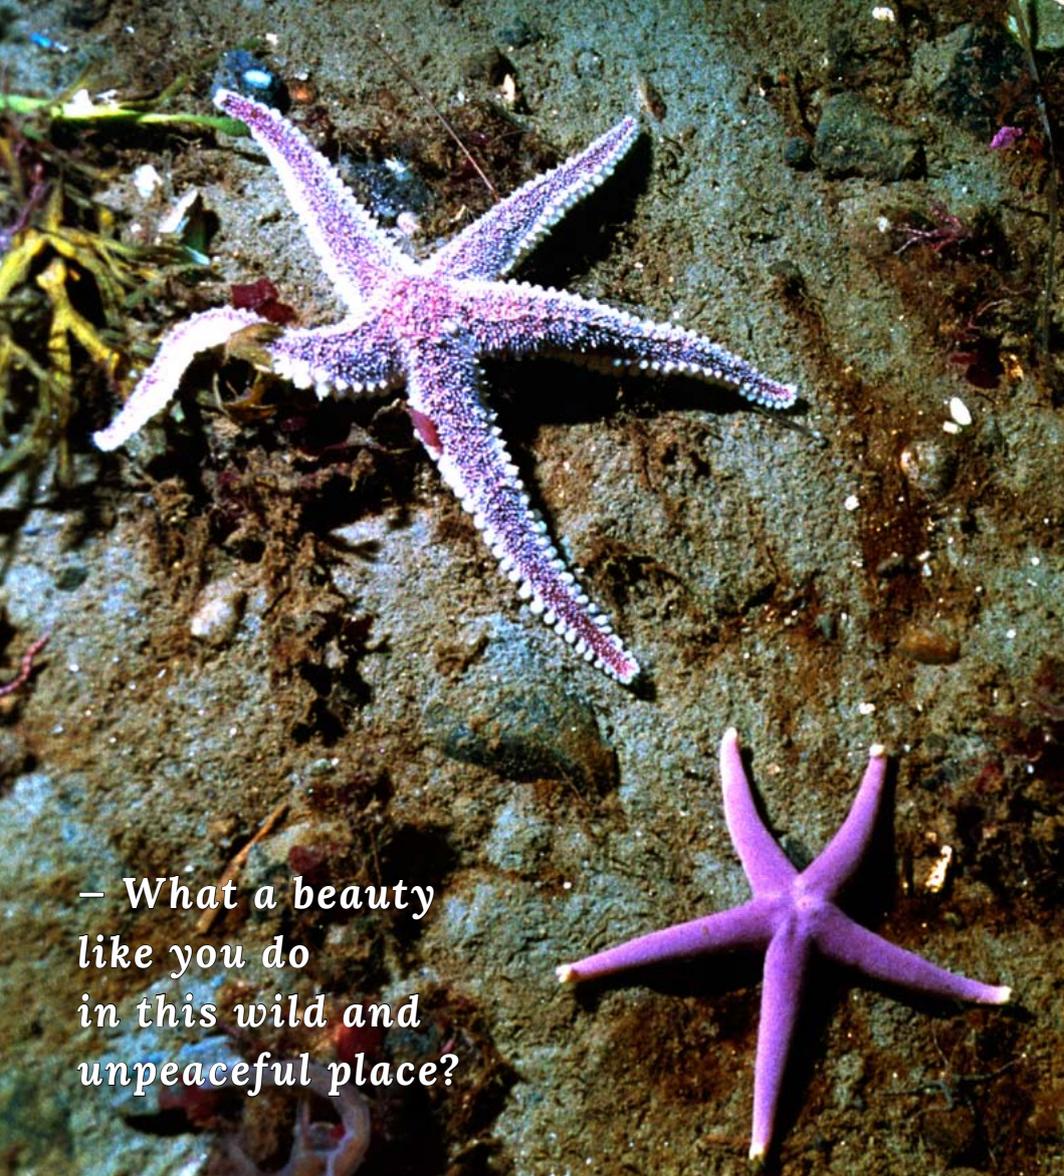

– Good heavens!  
Why did I call him a primitive primate?...

*– Fly with me, my dear, and you won't  
be sorry about it! I'll gift to you hundred  
seas, two hundred oceans.  
And even this... how does  
it called... the moon!*

*– Oh, where don't  
I have to fly just  
because of him.  
My wings are not  
graceful enough  
for him this time...*

*– What a beauty  
like you do  
in this wild and  
unpeaceful place?*

*– Oh, I don't know... Although he says that we look absolutely similar it would be better if I asked my mom.*

*– Honey, stop gossiping with your she-friends. There is nothing to eat at home and our children are crying!*

*– Darling, don't nag! We will go to the car exhibition tomorrow. Today, we are introducing our daughter to some high fashion.*

*– Honey!  
If we ever  
meet our  
sculptor,  
please, hold me  
as tight as you can...*

*– Hey! If you look at that green bird  
once again - I'll peck you in the forehead!*

*– Darling, do not ask me anything!  
I do not remember anything in any case...*

*– WOW! What they are doing!*

*– How nice it is to be part  
of a family even if it is only  
for a little while!*

*– You know, I began writing  
poems yesterday...*

*– Well, sweetie,  
why must you necessarily  
know right now which side Africa  
from us?!*

*– I adore this tango in the frost...*

*Performance  
of a traditional  
penguin song  
«Sweetheart  
presented  
me a ring,  
I'll give egg  
to him  
I think».*

*– Sonnie! Please, don't  
bite anyone in school  
at least one day!*

*– Hey good looking!  
Has anyone ever told you that you have  
the most gorgeous bowlegs?*

*– Your pulse is normal.  
Hmm... I have no idea  
why your tail has curled.*

*– We've found the gold!  
The first thing I am going to do  
is buy myself a cloak made from the skin  
of a great white shark ...*

*– And what cretin told  
us few years ago that children  
bring happiness?*

*– Do I understand the meaning of life?  
Of course, sweetie! Look, the sand  
is yellow. And the grass is green.  
Our life is similar – we also  
are born, live, die...*

*– Dear, your Pokémon  
isn't in here either!  
Maybe you better throw away  
the phone the tourists lost?*

*– They seemed to be pretty normal neighbors at first. Then they went and dyed their fur. I don't know what this world is coming to!*

*Every day, long awaited peace  
eventually comes to even the most  
quarrelsome of families...*

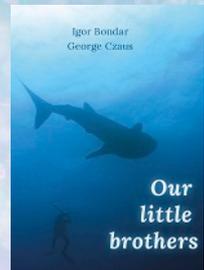

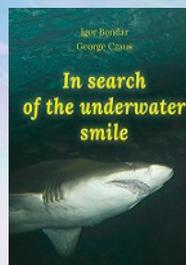

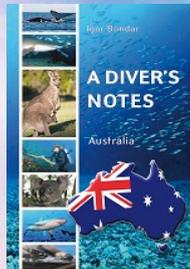

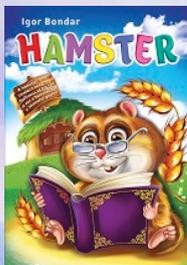

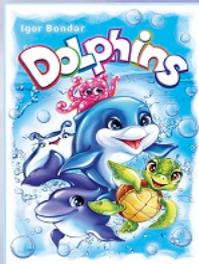

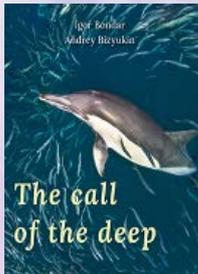

*...while they sleep of course.*
